Pheasants & Quail Forever

Habitat Seed Program

January 2020

Purchase With A Purpose

Our Mission is Habitat, so let us help you with yours. These mixes have been designed by a team of wildlife professionals to provide diverse, high-quality, long-lasting habitat and meet state and federal conservation standards. We want the best habitat on the ground possible to produce the most wildlife, so we offer it at the lowest possible price.

All proceeds from seed sales go directly toward our mission of putting more habitat on the ground, youth in our fields and birds in the air. So, you're not only a customer, you're a supporter of conservation and our upland hunting heritage.

CLEAN, QUALITY SEED

We partner with the best growers and suppliers who have a reputation for providing clean, quality seed. Together we've developed the most robust standards, including field scouting, multiple tests (using the latest technology) for noxious weeds, including Palmer Amaranth, to ensure our customers have the highest quality seed available.

Pheasants & Quail Forever in Illinois

Landowner Assistance Grants

Through a partnership with the Illinois State Pheasant Fund and Illinois Habitat Fund, Pheasants Forever and Quail Forever (PFQF) chapters offer financial assistance to landowners for establishing habitat using seed mixes endorsed by PFQF. This assistance will again be offered in 2020. For information about this program, visit www.ihuntill.com or contact Erin Holmes, State Coordinator at 608-658-0969 or email at eholmes@pheasantsforever.org.

Chapters

There are 64 PFQF chapters and thousands of volunteers in Illinois working to advance our conservation mission. If you want to get involved with your local chapter or attend a banquet, visit www.ihuntill.com or contact one of our Regional Representatives:

- Ross Fogle (Northern IL): 309-310-7958 or rfogle@pheasantsforever.org
- Brandon Beltz (Southern IL): 217-254-3424 or bbeltz@pheasantsforever.org
